Line commissioning[^] costs are dependant on contract period

6 Month minimum \$124.95

12 Month minimum \$99.95

* Plans are rate limited after limit reached

^ Line commissioning does not include provision of ADSL modem or installation on the premise.

Each device connected to the same line as the modem, in the same room or another requires an ADSL line filter. One filter is included with the modem extra filters can be purchased as required.

Line commissioning does not include the installation of the modem. The modem is delivered preconfigured for standard use and includes basic setup instructions. Installation can be provided at an additional cost per hour for labour.

Typical cost for complete setup:

Line commissioning	\$49.95
4 port ADSL modem	from \$120.00
Wireless ADSL modem	from \$199.00
First month's connection	from \$39.95
Total Cost for 24 months	from \$1128.75
Wireless Total Cost 24 months	from \$1208.70

Items marked in red are optional and can be provided by you as long as any hardware is compatible with our network. Also note that we may not be able to support hardware that was not provided by us.

Onsite work can be provided for \$85.00/hour, charged in half hour blocks
Extra line filters can be purchased for \$20.00 each.

Domestic DSL Terms

- Connection fee plus first monthly fee is paid upon successful connection to Home ADSL plan. Payment is required within 7 days from connection to avoid an administrative fee.
- All Home DSL plans are prepaid each month via direct deposit, credit card or cheque within 14 days of invoice date.
- Monthly invoice/receipt issued via email or post as requested.
- Billing is done on the first of every month, if the account is activated after the first of the month only the used part of the month is charged.
- Excess download charges (if applicable) are charged in arrears with the next month's service fee
- Early termination of a contract is subject to conditions. All plans require connection for at least 6 months.
- Home ADSL plans are not available to Business customers.
- Connection of this plan includes acceptance to the Standard terms and conditions.
- Early termination will incur a cost
 - 6 Month contract early termination fee \$99.95
 - 12 Month contract early termination fee \$174.95
- Speed change \$59.95
